

CO₂ Regulators for Backpack Sprayers

The following slides contain pictures and information on regulators used by IR-4 Field Research Directors as discussed in the July 2012 Western Region Training Webinar.

Please contact the FRDs directly with questions.

Set Screw Regulator on Backpack Sprayer

Roger Batts, FRD, North Carolina State University
rbbatts@ncsu.edu (919) 515-1668

High Performance Draft Beer Double Gauge CO₂ Regulator – Polycarbonate Bonnet

John Harvey, FRD, ARS Yakima Agricultural Research Laboratory

John.Harvey@ars.usda.gov (509) 454-6553

John has used this regulator for 3 years with no problems.

The handle pushes in to lock.
