# Tidbit - The Timeline Thing

- What Would be Useful to Know?
- How Are They Set?
- Why Do They Change?
- How Do They Impact Me?
- Why Are They Important?
- How Did We Get Here?

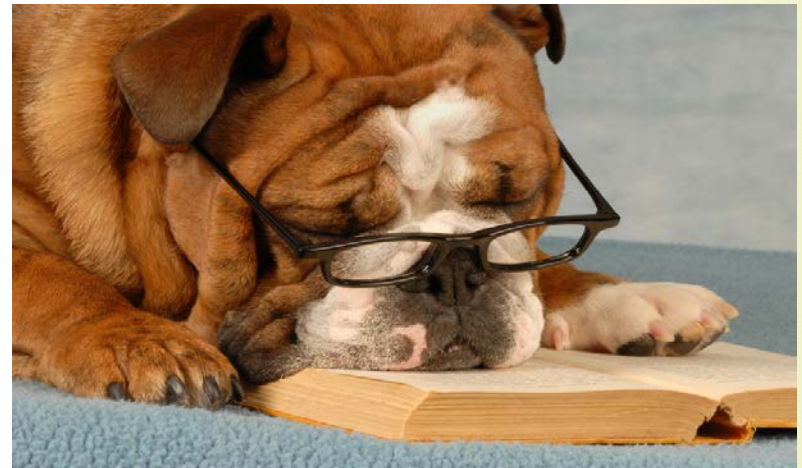

# Test Substance – Thank you

- To Jim for his February Presentation
- To FRDs
  - Positive Results
    - Catching discrepancies
    - Contacting SD
    - Seeking resolutions/clarification
    - Good work 😊

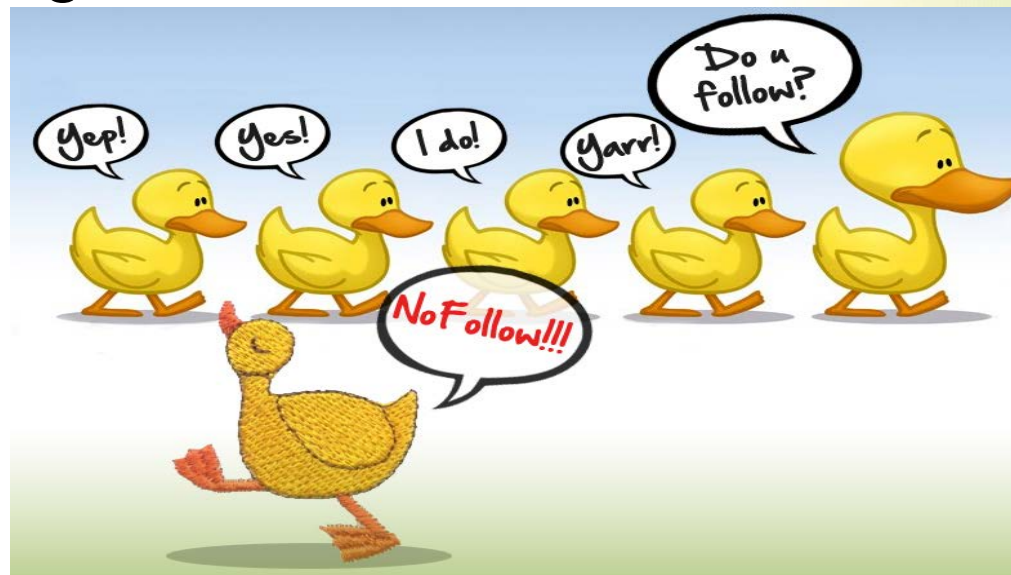

# Draft Protocols – Thank you

- To FRDs for reading draft protocols and providing feedback
- NOW
  - Don't forget to READ the final version😊

# Speaking of Reading

- SOPs
  - Not just for revising once a year
  - Not just for under the seat of your truck
  - They are for following

# Reminder:

- Emails with targeted trials have gone out to Western Region FRDs so check your email
- Notify us as soon as you think you have an application schedule especially for those trials that only have one or two applications
- Even if you don't have an application schedule give us at least an idea of what month you might be doing an application on a trial
