

**MAURICE E. CRAIG: EDUCATION AND EXPERIENCE**

**WORK ADDRESS:** New Mexico State University, Extension Plant Sciences Department, Box 30003, MSC 3AE, Las Cruces, New Mexico, 88003.

**EDUCATION:** M.S., Agricultural Biology, 1994. New Mexico State University.  
B.S., Wildlife Management, 1982. University of Missouri, Columbia.

**WORK EXPERIENCE:**

Oct. 2002-Present: Extension Plant Sciences Department  
New Mexico State University, Las Cruces, New Mexico  
-IR-4 Program Coordinator

- NMSU IR-4 Field Research Director
- New Mexico IR-4 State Liaison Representative (2006-present)
- Represent New Mexico's pest management needs at regional and national IR-4 workshops.
- Annually conduct, on average, 15 magnitude-of-residue studies on food crops following Good Laboratory Practice (GLP) standards.
- Develop Standard Operating Procedures (SOPs).
- Hire, train and supervise IR-4 technician.
- Respond to quality control reviews and quality assurance audits.
- Exchange information with representatives from University, NMDA, EPA and commodity groups.
- Assist with state-wide Pesticide Applicator Training.

Sep. 1985-Oct. 2002: Department of Entomology, Plant Pathology and Weed Science  
New Mexico State University, Las Cruces, New Mexico  
-Laboratory Coordinator, 1998-2002  
-Senior Research Assistant, 1991-1998  
-Research Assistant II, 1986-1991  
-Graduate Research Assistant, 1985-1986

- Design experimental procedures, conduct experimental manipulations, analyze data and report results for GLP and non-GLP studies on arthropods of medical/veterinary importance,
- Hire, train and supervise personnel.
- Develop protocols and SOPs.
- Give presentations at extension training seminars and workshops for producers, pesticide applicators and interest groups.

**MAURICE E. CRAIG: GLP TRAINING AND CONTINUING EDUCATION RECORD**

Events applicable to training/education in Good Laboratory Practices and GLP field research with pesticides are transcribed from personnel file documentation.

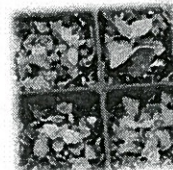

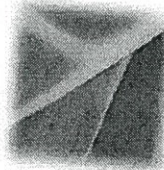

Date of training	Training or educational event	Conducted/sponsored by
9/2002	GLP: Basic Training	Southwest Bio-Labs
12/3-4/2002	GLP: Training for Field Research	W. Coast Qual. Training Institute
1/3/2003	GLP: Practice Application/FDB Entry Procedures	Ed Morris
1/15/2003	GLP: Balance and Thermometer Calibration	Ed Morris
7/31/2003	GLP: Collecting samples/monitoring freezers	Larry Blackwell
9/11/2003	GLP: Sample shipping	Larry Blackwell
3/8-9/2005	GLP: WR Field research director training	WR IR-4
6/30/2005	Evaluating herbicide efficacy/crop safety	Cheryl Fiore
2/28-3/2/2006	GLP: IR-4 National Education Conference	National IR-4
1/17-18/2007	GLP: WR Residue trial training	WR IR-4
2/24-25/2009	GLP: IR-4 National Education Conference	IR-4 HQ
2/2-3/2010	GLP: WR Residue trial training	WR IR-4
Monthly webinars 2012	GLP: WR Residue Trial Training (see following)	WR IR-4
2/27-28/2013	GLP: IR-4 National Education Conference	IR-4 HQ
Monthly webinars 2013	GLP: WR Residue Field Trial Training (see following)	WR IR-4

IR4 - WEST  
2012  
Training Webinar

# Maury Craig

Has completed the following GLP Residue Training Webinars in 2012:

- |   |              |
|---|--------------|
| <input checked="" type="checkbox"/> Changes in the 2012 protocol, notebook and multiple trial requirements    | January 13   |
| <input checked="" type="checkbox"/> Test and reference substance receipt and identification                   | February 10  |
| <input checked="" type="checkbox"/> QC reviews and QA findings – How to respond                               | March 9      |
| <input checked="" type="checkbox"/> Expedited project timelines   | April 13     |
| <input checked="" type="checkbox"/> Equipment Maintenance and FRD 101: Skills for Success                     | May 11       |
| <input checked="" type="checkbox"/> Sample receipt and preparation, Deviations, Terminating/replacing a trial | June 8       |
| <input checked="" type="checkbox"/> Challenging applications, Tricks of the Trade                             | July 13      |
| <input checked="" type="checkbox"/> Dried commodities – procedures and documentation                          | August 10    |
| <input type="checkbox"/> Analytical laboratory procedures   | September 14 |
| <input checked="" type="checkbox"/> Measuring devices   | October 12   |
| <input type="checkbox"/> IR-4 national and WR regional website resources                                      | November 9   |
| <input checked="" type="checkbox"/> Year in Review  | December 14  |

A checked box certifies that the webinar was attended.
