**MEMORANDUM**

DATE: October 28, 2014  
TO: Stephen Flanagan  
FROM: Rebecca Sisco  
Regional Field Coordinator  
Western Region IR-4 Project  
RE: Quality Control Review of Completed IR-4 Field Data Notebooks

*Jackie Hale for  
Rebecca Sisco*

**Federal Express**

Please find enclosed three (3) IR-4 Field Data Notebooks for your review on behalf of the Western Region IR-4 Office.

**Buprofezin/Fig, PR# 11342**

Field ID No. 11342.14-CA61

Field ID No. 11342.14-CA62 (Decline)

**Pymetrozine/Tomato (Greenhouse), PR# 07969**

Field ID No. AAFC14-053R-131 (Decline) (Large Fruit)

As before, your review is to be conducted from a Regional Field Coordinators/Study Directors point of view. It is the first line data review from a quality control perspective. In addition, we appreciate you coordinating with the Field Research Directors to correct deficiencies as you have been doing. When reviewing these books, please complete the checklists and the Excel Calculation Spreadsheets, which have been sent to you electronically. Please keep track of the time required to complete each notebook review.

Please contact me as any questions or concerns arise. Thank you for your assistance in reviewing these data.

**Please return these notebooks with reviews completed by November 26, 2014.**
